

12th International Conference of the French Association of Experimental Economics

Lyon, 30th June - 1st July 2022

Call for Papers

The **12th International Conference of the French Association of Experimental Economics (ASFEE)**, will be organized by Groupe d'Analyse et de Théorie Economique (GATE) on **30th June-1st July 2022**.

The conference will provide an opportunity for researchers to present results of laboratory and field experiments. It will cover all topics regarding behavioral and experimental economics, such as decision theory, game theory, institutions and markets, neuroeconomics, economic psychology and others. Methodological and theoretical papers dealing with experimental and behavioral issues are also welcome. Preliminary work concerning proposals for experimental designs can be submitted to the poster session.

Location

The conference will take place at the University of Lyon 2 Campus Berges du Rhône which is located in Lyon city center.

Further information regarding the conference dinner and travelling and lodging options will be posted on the conference website: <https://asfee2022.sciencesconf.org/>

Submissions

Please submit an extended abstract for "oral" or "poster" presentation using the conference website by **1st April 2022**.

Important dates

- Abstract submission: 1st April 2022.
- Decisions on acceptance: 9th May 2022.
- Registration closes: 28th May 2022.

Keynote speakers

Prof. Gary Charness

University of California, Santa Barbara

Prof. Nobuyuki Hanaki

Institute of Social and Economic Research, Osaka University

Prof. Dorothea Kübler

WZB Social Science Center Berlin and TU Berlin

Special session in honor of Claude Montmarquette

A special session on 'Experimental Economics and Public Policy' will be organized to honor Professor Claude Montmarquette, who passed away on September, 8 2021.

"Annals of Economics and Statistics" special issue

We are pleased to announce that a special issue of the Annals of Economics and Statistics will gather the best papers presented at the conference. The call for papers will be announced during the conference.

ASFEE Prize

All experimental PhD project posters will be considered for the Young Researcher Prizes. Three prizes will be awarded. Each prize consists of financial (1,500€) and technical support for the young researcher to complete his/her experimental project.
