

PROGRAM OF THE 12th CONFERENCE OF ASFE

Lyon, France, June 30-July 01, 2022

ORGANIZED BY GATE
(Groupe d'Analyse et de Théorie Economique)

12th International Conference of the French Association of Experimental Economics

Lyon, 30th June - 1st July 2022

PRACTICAL INFORMATION

Conference venue:

Université Lumière Lyon 2

Palais Hirsch and Belenos building
18, quai Claude Bernard
69007 Lyon.

Access:

- From Lyon Part-Dieu station:

Go out of the station (Porte Rhône) and take the tramway T1 (Direction IUT Feyssine) and get off at "Quai Claude Bernard" (around 15 minutes)

- From Lyon Perrache station:

Take the tramway T1 (Direction IUT Feyssine) and get off at "Quai Claude Bernard" (around 5 minutes)

Welcome reception (June 29, 6:00 PM):

Salle de réception of le Palais Hirsch

Contact:

asfee2022@gate.cnrs.fr

ASFEF conference information:

<https://asfee2022.sciencesconf.org>

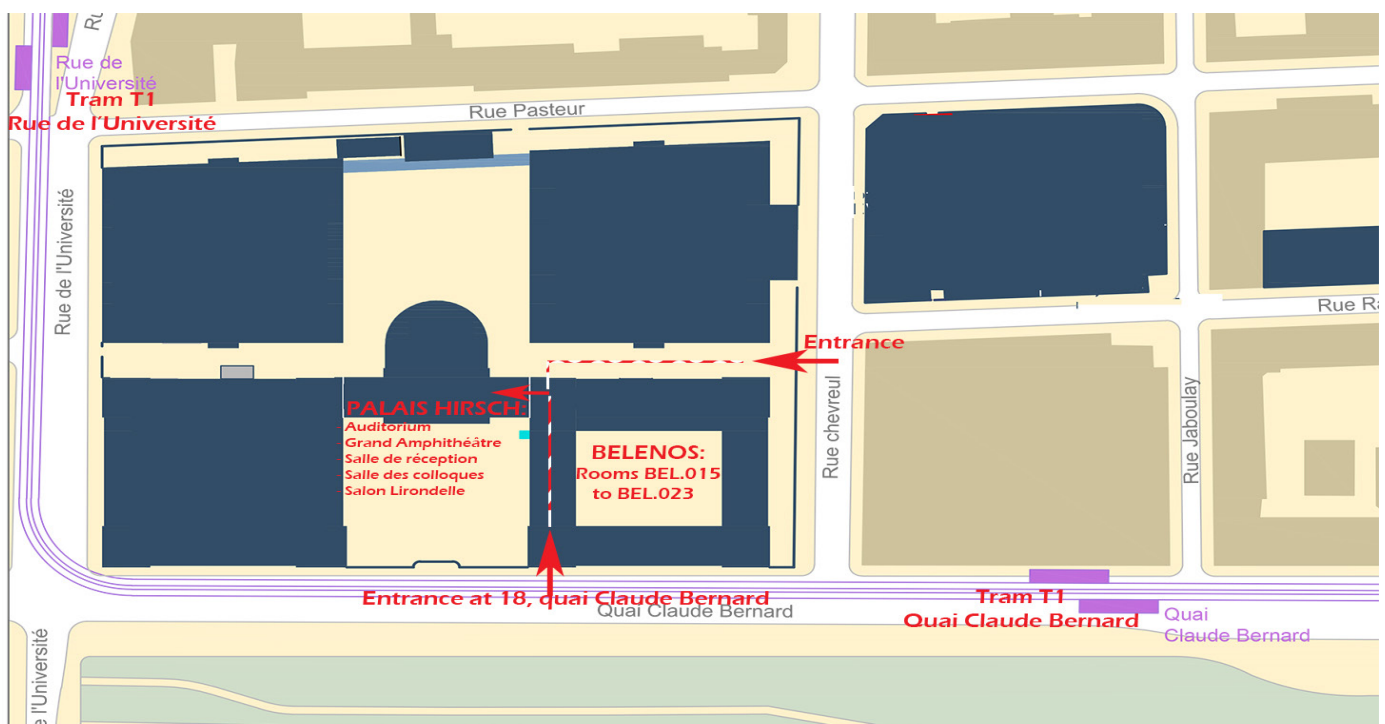

Gala dinner (June 30, 8:00 PM):

La Maison restaurant

4, rue Jonas Salk
69007 Lyon.

Map of the location of the Conference:

Auditorium (welcome desk, coffee breaks) / Grand Amphithéâtre (keynote lectures) / Salle de réception (posters & Lunches) / Salle des colloques (6th parallel session room) / Salon Lirondelle (locker room).

12th International Conference of the French Association of Experimental Economics

Lyon, 30th June - 1st July 2022

GENERAL PROGRAM

THURSDAY JUNE 30

8:30 AM – 9:20 AM

Registration & Breakfast

Auditorium

9:20 AM – 9:30 AM

Opening speech

Grand Amphithéâtre

9:30 AM – 11:00 PM		Parallel sessions			
Cognitive biases	Morality 1	Experimental methods 1	Nudges 1	Social preferences 1	AI & algorithms
Room BEL.015	Room BEL.016	Room BEL.019	Room BEL.020	Room BEL.023	Salle des colloques

11:00 PM – 11:10 AM

Coffee break

Auditorium

11:10 AM – 12:25 PM

Keynote lecture

Grand Amphithéâtre

Nobuyuki Hanaki (Osaka University)

12:25 PM – 12:45 PM

Teaser session for posters

Grand Amphithéâtre

12:45 PM – 2:00 PM

Lunch & Posters

Salle de réception

2:00 PM – 3:30 PM		Parallel sessions			
Information 1	Cooperation	Fairness	Social preferences 2	Incentives	Session in honor of C. Montmarquette
Room BEL.015	Room BEL.016	Room BEL.019	Room BEL.020	Room BEL.023	Grand Amphithéâtre

3:30 PM – 3:50 PM

Coffee break & Posters

Auditorium & Salle de réception

3:50 PM – 5:00 PM		Parallel sessions			
Communication 1	Bargaining	Markets	Emotions 1	Morality 2	Decision under uncertainty 1
Room BEL.015	Room BEL.016	Room BEL.019	Room BEL.020	Room BEL.023	Salle des colloques

5:00 PM – 5:20 PM

Coffee break & Posters

Auditorium & Salle de réception

5:20 PM – 6:30 PM		Parallel sessions			
Experimental macro	Decision under uncertainty 2	Experimental methods 2	Intertemporal decision making	Voting	Beliefs 1
Room BEL.015	Room BEL.016	Room BEL.019	Room BEL.020	Room BEL.023	Salle des colloques

8:00 PM

Gala Dinner & Party

12th International Conference of the French Association of Experimental Economics

Lyon, 30th June - 1st July 2022

GENERAL PROGRAM

FRIDAY JULY 01

8:45 AM – 9:30 AM

Breakfast & Posters

Auditorium & Salle de réception

9:30 AM – 11:00 PM		Parallel sessions			
Communication 2	Nudges 2	Gender	Team/group decisions	Emotions 2	Social preferences 3
Room BEL.015	Room BEL.016	Room BEL.019	Room BEL.020	Room BEL.023	Salle des colloques

11:00 PM – 11:10 AM

Coffee break

Auditorium

11:10 AM – 12:25 PM

Keynote lecture

Grand Amphithéâtre

Gary Charness (University of California at Santa Barbara)

12:25 PM – 1:00 PM

Lunch & posters

Auditorium & Salle de réception

1:00 PM – 1:45 PM

ASFEE General Assembly

Grand Amphithéâtre

1:45PM - 2:00 PM

Annoucement ASFEE prize

Grand Amphithéâtre

2:00 PM – 3:30 PM		Parallel sessions		
Decision under uncertainty 3	Information 2	Public goods	COVID-19	Beliefs 2
Room BEL.015	Room BEL.016	Room BEL.019	Room BEL.020	Room BEL.023

3:30 PM – 3:45 PM

Coffee break

Auditorium

3:45 PM – 5:15 PM		Parallel sessions		
Decision under uncertainty 4	Environment	Morality 3	Consumer decision	Social preferences 4
Room BEL.015	Room BEL.016	Room BEL.019	Room BEL.020	Room BEL.023

University Lyon 2,
conference venue

12th International Conference of the French Association of Experimental Economics

Lyon, 30th June - 1st July 2022

POSTER SESSION

Speaker	Affiliation	Title of the project
Danièle Fares & Noémie Bobin	Montpellier University	Seeking solutions to the myopic loss aversion bias through frequency of access to information and advice
Huaiping Yuan	University of Amsterdam	Discrimination under public observability: can transparency lead to a fair hiring process?
Itzhak Rasooly	University of Oxford	The shape of social norms
Jhonatan Saldana	Sorbonne Paris North University	Extortion and do-no-harm principle in a negative ultimatum bargaining game
Leon Houf	Heidelberg University	Decomposing in-group favouritism and out-group hostility
Liyang Zhang	Erasmus University Rotterdam	The effect of advising others on own subsequent choice of food
Magalie Duarte	Burgundy School of Business	Exploring how artificial intelligence can disturb cooperation in complex decision-making situations: a contribution of experimental tools to information systems management in the public sector
Maria Erazo Diaz	GATE Lyon-St-Etienne	Expectations models in asset markets: an eye-tracking experiment
Moumita Deb	University of Birmingham	Effective altruism, social image and p2p apps
Nakin Luangnual	Burgundy School of Business	Experimental investigation of framing effect and status quo bias on bidding patterns in contests
Niklas Maximilian Witzig	Johannes Gutenberg University Mainz	Cognitive imprecision and social preferences
Paul-Emile Mangin	University of Portsmouth	Political risk aversion an experiment on elections and decision-making under risk
Qingyi Wang	University of Michigan	Affective polarization and social identity: preference-based or belief-based?
Quentin Cavalan	Paris School of Economics	The role of second order performance beliefs on self-relevant information acquisition
Suvarna Pande	University of East Anglia	Split in probability weights - scarcity, cognitive load and tunnelling
Vincent Teixeira	Université de Lorraine	Courts resolution and predictive justice
Yang Zhong	University of Amsterdam	Working under distractions

12th International Conference of the French Association of Experimental Economics

Lyon, 30th June - 1st July 2022

THURSDAY JUNE 30

8:30 AM – 9:20 AM

Registration & Breakfast Auditorium

9:20 AM – 9:30 AM

Opening speech Grand Amphithéâtre

9:30 AM - 11:00 AM

Cognitive biases

Room BEL.015

Chair: Nathalie Roemer

- Context-dependent perceptions and decision making
Keyu Wu, University of Zurich
- Elementary, my dear Wason! An experiment on the role of confirmation bias in markets for credence goods
Maxime Perodaud, GREDEG Université Côte d'Azur
- Narrow Bracketing in Work Choices
Marc Kaufmann, Central European University
- Why are you the best? An experimental analysis of the effect of self-promotion on gender bias
Nathalie Roemer, Leibniz University of Hannover (LUH)

Morality 1

Room BEL.016

Chair: Eugenio Verrina

- Gender Identity and Competitive Behavior - a Virtual Reality Experiment
Nina Rapoport, Paris School of Economics
- Truth-telling and wishful thinking
Jan Biemann, University of Hamburg

- Social Preferences and the Transmission of Narratives

Marie Claire Villeval, GATE Lyon-St-Etienne

- Group dishonesty: incentives and beliefs
Eugenio Verrina, GATE Lyon-St-Etienne

Experimental methods 1

Room BEL.019

Chair: Alice Solda

- Analyzing the impact of strategic behavior in an evolutionary learning model using a Genetic Algorithm
Vinicius Ferraz, Alfred-Weber-Institute
- Estimating the effect on happiness through question randomization: An application to blood donation
Giacomo Degli Antoni, University of Parma
- Explaining the heterogeneity between risk and ambiguity aversion relationships : a meta-analysis
Chris Ouangraoua, GREDEG Université Côte d'Azur
- Centralized versus decentralized enforcement mechanisms under imperfect monitoring: Impacts on compliance in a public good game
Alice Solda, Ghent University

Nudges 1

Room BEL.020

Chair: Nives Della Valle

- Killing two birds with one stone? Experimental evidence of the behavioural spillover effects of social norm nudges promoting low-carbon food choices
Julien Picard, Grantham Research Institute on Climate Change and the Environment

12th International Conference of the French Association of Experimental Economics

Lyon, 30th June - 1st July 2022

THURSDAY JUNE 30

- Norm from the top: a social norm nudge to promote low-practiced behaviors without boomerang effect

Alix Rouillé, ENS de Cachan

- When to get that extra paycheck?

Evaluation of a de-nudge policy

Leon Houf, Universität Heidelberg

- Promoting energy sufficiency while addressing energy poverty

Nives Della Valle, European

Commission - Joint Research Centre

Social preferences 1

Room BEL.023

Chair: Roberto Hernan Gonzalez

- Inequality Externality Beliefs and Redistributive Preferences

Max Lobeck, University of Konstanz

- Intertemporal Social Preferences

Marcello Negrini, Paris School of Economics

- Mind the framing, when studying social preferences in the domain of losses!

Miloš Fišar, Vienna University of Economics and Business, Masaryk University

- Demand for Institutions and Opportunistic Behavior: Experimental Evidence

Roberto Hernan Gonzalez, Burgundy School of Business

AI & algorithms

Salle des colloques

Chair: Béatrice Boulu-Reshef

- In algorithms we trust - once we learned to understand them?

Johannes Walter, ZEW - Leibniz Centre for European Economic Research

- Blockchain-based data sharing system: an experimental analysis of behavioural features affecting inter-organisational cooperation

Marta Ballatore, GREDEG Université Côte d'Azur

- Human decision-making in the presence of algorithm adviser

Mathieu Chevrier, GREDEG Université Côte d'Azur

- Inventory Management with Carryover in a Laboratory Setting: Going Beyond the Newsvendor Paradigm

Béatrice Boulu-Reshef, University of Orléans

11:00 AM - 11:10 AM

Coffee break

Auditorium

11:10 AM - 12:25 PM

Keynote lecture

Grand Amphithéâtre

Nobuyuki Hanaki (Osaka University)

12:25 PM - 12:45 PM

Teaser session for posters Grand Amphithéâtre

12:45 PM - 2:00 PM

Lunch & Posters

Salle de réception

2:00 PM - 3:30 PM

Information 1

Room BEL.015

Chair: Noémi Berlin

- Experiments in Information Acquisition and Voting

Moumita Deb, University of Birmingham

12th International Conference of the French Association of Experimental Economics

Lyon, 30th June - 1st July 2022

THURSDAY JUNE 30

- Unintended consequences of corruption indices: an experimental approach
Philipp Chapkovski, WZB, Berlin

- The Persistent Effect of Biased Narratives
Sili Zhang, University of Zurich

- Information and cooperation: An Experiment on sorting behaviour
Noémi Berlin, EconomiX

Cooperation

Room BEL.016

Chair: Marco Faillo

- Do labor market institutions modify the link between job insecurity and social cohesion? an experimental study
Hélène Couprie, Aix-Marseille University
- The enemy of my enemy: Competitive framing in repeated prisoner's dilemmas
Sara Gil Gallen, Université Côte d'Azur
- Norms, Inequality and Strategy of Cooperation: an Online Indefinite Repeated Experiment
Boris Wiecezorek, GAEL Grenoble
- Cash posters in the lab: an experiment on horizontal and vertical reciprocity
Marco Faillo, University of Trento

Fairness

Room BEL.019

Chair: Zahra Murad

- Experimental Investigation of Stationary Equilibria in the Context of an Inspection Game
Vinicius Ferraz, Alfred-Weber-Institute
- Continuous Versus Discrete Time in Dynamic Common Pool Resource Game Experiments
Murielle Djiguemde, Université de Montpellier

- Choice and fairness: The salience of choice reduces rich people's contributions to public goods

Arjun Sengupta, Nottingham University Business School

- Moral wiggle room and discrimination
Zahra Murad, University of Portsmouth

Social preferences 2

Room BEL.020

Chair: Eli Spiegelman

- Non-isolation and Social Preference
Keaton Ellis, University of Maryland, College Park
- On the determinants of altruistic behaviour in a risky and ambiguous contexts
Vincent Théroude, IÉSEG School Of Management
- Opting in to dictator games: The effect of voluntary vulnerability on dictator giving
Diya Abraham, Vienna University of Economics and Business, Masaryk University
- Reciprocal, but inequity averse as well? Mixed motives for punishment and reward
Eli Spiegelman, Burgundy School of Business

Incentives

Room BEL.023

Chair: Eldar Dadon

- Incentive Mechanism Design for Responsible Data Governance: A Field Experiment
Christina Timko, Ruhr-University Bochum
- Mean, Kind, or Monetary: Does Feedback Form Matter?
Dina Rabie, Nottingham Business School

12th International Conference of the French Association of Experimental Economics

Lyon, 30th June - 1st July 2022

THURSDAY JUNE 30

- Synergies of interventions to tackle climate change

Marius Alt, European Commission-Joint Research Center

- Goodhart's law in the labor market
Eldar Dadon, Ben-Gurion University of the Negev

Session in honor of C. Montmarquette

Grand Amphithéâtre

Chair: Marie Claire Villeval

- Cooperation with Claude
Claudia Keser, University of Goettingen
- Do Real Stakes Always Matter?
Experimental Evidence on Social and Anti-Social Preferences
David Masclet, CREM
- Efficiency of education systems when students have an imperfect knowledge of their own ability: an experimental approach
Louis Lévy-Garboua, Centre d'économie de la Sorbonne
- What if compulsory insurance triggered self-insurance? An experimental evidence
François Pannequin, Ecole Normale Supérieure Paris-Saclay

3:30 PM - 3:50 PM

Coffee break & Posters

Auditorium & Salle de réception

3:50 PM - 5:00 PM

Communication 1

Room BEL.015

Chair: Despoina Alempaki

- Managerial Leadership, Truth-Telling, and Efficient Coordination
Jordi- Brandts, Instituto de Análisis Económico (CSIC) and Barcelona School of Economics
- Altruistic Vaccination
Avner Seror, Aix Marseille School of Economics
- Deceptive Communication
Despoina Alempaki, Warwick University

Bargaining

Room BEL.016

Chair: Rémi Suchon

- Pitfalls of pay transparency: Evidence from the lab and the field
Katharina Brütt, University of Amsterdam
- Two-part tariff, demand uncertainty and risk sharing: From theory to experimental evidence
Alexis Garapin, GAEL Grenoble
- Conciliation in bargaining over losses
Rémi Suchon, Laboratoire d'Anthropologie Expérimentale

Markets

Room BEL.019

Chair: Radu Vranceanu

- Nonspeculative Bubbles Revisited: Speculation Does Matter
Yilong Xu, Utrecht University

12th International Conference of the French Association of Experimental Economics

Lyon, 30th June - 1st July 2022

THURSDAY JUNE 30

- Obfuscation in Competitive Markets

Keyu Wu, University of Zurich

- Sovereign debt default and bond prices: an experimental study

Radu Vranceanu, ESSEC Business School

Emotions 1

Room BEL.020

Chair: Nicolas Jacquemet

- Inducing pride as a way of filling gender gap in competitiveness

Alla Kachur, Masaryk University

- From intentions to actions: interventions to encourage the adoption of socially desirable behaviour

Rim Rejeb, GAEL Grenoble

- Moral behavior: a tale of two images

Nicolas Jacquemet, Paris School of Economics

Morality 2

Room BEL.023

Chair: Nikos Nikiforakis

- Can Asymmetric Incentives uproot Collaborative Dishonesty?

Beatrice Braut, University of Turin

- Impact of lying aversion and prosociality on cheating

Daniel Parra, WZB Berlin Social Science Center

- Cooperation under the shadow of inequality

Nikos Nikiforakis, NYU Abu Dhabi

Decision under uncertainty 1

Salle des colloques

Chair: Brice Corgnet

- Loss aversion is robust

Olivier L'Haridon, CREM

- Intrinsic Preferences for Autonomy

Holger Herz, University of Fribourg

- On the appeal of complexity

Brice Corgnet, GATE Lyon-St-Etienne

5:00 PM - 5:20 PM

Coffee break & Posters

Auditorium & Salle de réception

5:20 PM - 6:30 PM

Experimental macro

Room BEL.015

Chair: Camille Cornand

- Measuring Inflation Expectations: How Stable Are Density Forecasts?

Peter Duersch, Universität Mannheim

- Credit Ratings and Investments: An Experimental Study

Oana Peia, University College Dublin

- Central bank's stabilization and communication policies when firms have motivated overconfidence in their own information accuracy or processing

Camille Cornand, GATE Lyon-St-Etienne

12th International Conference of the French Association of Experimental Economics

Lyon, 30th June - 1st July 2022

THURSDAY JUNE 30

Decision under uncertainty 2

Room BEL.016

Chair: *Georgia Buckle*

- The Needs of the Many, the Wealth of the Few: How Responsibility Affects Risky Decision-Making for Others
Wolfgang Luhan, University of Portsmouth
- Ambiguity and charitable giving
Maria J. Montoya-Villalobos, Université Paris Nanterre, EconomiX
- Do as I Do: Paternalism and Preference Differences in Decision Making for Others
Georgia Buckle, University of Portsmouth

Experimental methods 2

Room BEL.019

Chair: *Lina Maria Lozano*

- Lab vs Online: No Differences
Benjamin Prissé, Loyola Behavioral Lab
- How to distinguish economic from moral compensation in the rebound effect ? A theoretical and experimental approach
Simon Mathex, Montpellier Supagro
- Measuring Preferences for Competition
Lina Maria Lozano, New York University Abu Dhabi

Intertemporal decision making

Room BEL.020

Chair: *Maxime le Bihan*

- Flexible Microcredit: Effects on Loan Repayment and Social Pressure
Anett John, University of Birmingham

- Experimental evidence of future tense marking on pro-environmental behavior
Manuel Suter, Institut für Organisation und Personal Engehaldenstrasse, Bern

- Do job seekers (really) procrastinate?
Maxime le Bihan, GATE Lyon-St-Etienne

Voting

Room BEL.023

Chair: *Enrique Fatas*

- Fake news and preference-consistent voting during the 2022 French presidential election
Laurence Vardaxoglou, Université Paris 1
- The approval mechanism with delegation: An experiment on CPR extractions
Gabriel Bayle, Centre d'Économie de l'Environnement
- Do democracies fight like autocracies? A causal analysis of political institutions and war
Enrique Fatas, University of Pennsylvania

Beliefs 1

Salle des colloques

Chair: *Charlotte Saucet*

- Repeated Sampling of Group Members and Norm Perception
Thomas Karl Alfred Woiczky, University of the Balearic Islands
- How does choice affect learning?
Gergely Hajdu, Vienna University of Economics and Business
- Motivated vs. Skeptical Beliefs
Charlotte Saucet, Université Paris 1

8:00 PM

Gala dinner & Party

12th International Conference of the French Association of Experimental Economics

Lyon, 30th June - 1st July 2022

FRIDAY JULY 01

8:45 AM – 9:30 AM

Breakfast & Posters

Auditorium & Salle de réception

9:30 AM - 11:00 AM

Communication 2

Room BEL.015

Chair: Liza Charroin

- Optimal (mis-)coordination under uncertainty: Testing information design in the laboratory

Andreas Ziegler, University of Amsterdam

- Pictures are worth many words: Effectiveness of visual communication in dispelling the rent-control misconception

Isabel Busom, Universitat Autònoma de Barcelona

- Reducing the Shadow Economy with Informational Cues: A Natural Field Experiment with Firms in Latvia

Andris Saulitis, Stockholm School of Economics in Riga

- Rumors in social networks - an online experiment

Liza Charroin - Université Paris 1

Nudges 2

Room BEL.016

Chair: Vanessa Schöller

- (Im)Moral suasion in collective action problems: evidence from a long-term experiment

Andrea Guido, Burgundy School of Business

- Corpus Design for Studying Linguistic Nudges in Human-Computer Spoken Interactions

Serge Pajak, Université Paris-Saclay

- Bad Nudge, Kids and Voice Assistants: A Social Preferences lab-in-the-field Experiment

Théo Marquis, Université Paris-Saclay

- Can monetized carbon information increase pro-environmental behavior? Experimental evidence

Vanessa Schöller, University of Regensburg

Gender

Room BEL.019

Chair: Christiane Schwieren

- Gender differences in the willingness to compete against a standard

Maria Cubel, University of Bath

- Backlash against Women in Competition

Jakob Moeller, Vienna University of Economics and Business

- Gendered Instructions and Economic Behavior

Karoline Ströhlein, Karlsruhe Institute of Technology

- Gender, dark traits, and leadership emergence

Christiane Schwieren, Heidelberg University

Team/group decisions

Room BEL.020

Chair: Krista Saral

- Breaking the Silence - Group Discussions, Social Pressure, and the Adoption of Health Technologies

Silvia Castro, University of Munich

12th International Conference of the French Association of Experimental Economics

Lyon, 30th June - 1st July 2022

FRIDAY JULY 01

- Productive and destructive group contests:

An Experimental Investigation

Julie Rosaz, Burgundy School of Business

- Group decisions are more libertarian than individual decisions

Felix Kölle, University of Cologne

- Remote work and team productivity

Krista Saral, University of North Carolina at Charlotte

Emotions 2

Room BEL.023

Chair: Joanna Rachubik

- The performance effects of multiple sources of stress: the case of math anxiety

Guillermo Mateu, Burgundy School of Business

- The role of Emotions in Social Preferences. Comparing passive observers and active decisionmakers

Wenxin Xiong, GREDEG Université Côte d'Azur

- Augmented Reality for environmental fundraising: A laboratory study

Barbara Buljat, GREDEG Université Côte d'Azur

- Cognitive biases and emotions: A framing experiment

Joanna Rachubik, University of Warsaw

Social preferences 3

Salle des colloques

Chair: Julien Senn

- The effect of compassion fade on altruistic behavior: Experimental evidence for a guilt mitigation account

Ben Grodeck, Monash University

- The role of leaders in the change of social norms

Jona Krutaj, GATE Lyon-St-Etienne

- The Impact of Artificial Intelligence and Behavioral Predictions on Economic and Strategic Decision Making

Christina Strobel, Hamburg University of Technology

- The Fundamental Properties, the Stability, and the Predictive Power of Distributional Preferences

Julien Senn, University of Zurich

11:00 AM - 11:10 AM

Coffee break

Salle de réception

11:10 AM - 12:25 PM

Keynote lecture

Grand Amphithéâtre

Gary Charness (University of California at Santa Barbara)

12:25 PM – 1:00 PM

Lunch & posters

Auditorium & Salle de réception

1:00 PM – 1:45 PM

ASFEE General Assembly

Grand Amphithéâtre

1:45PM - 2:00 PM

Announcement ASFEE prize

Grand Amphithéâtre

12th International Conference of the French Association of Experimental Economics

Lyon, 30th June - 1st July 2022

FRIDAY JULY 01

2:00 PM - 3:30 PM

Decision under uncertainty 3

Room BEL.015

Chair: Geoffrey Castillo

- Craving for Money? Empirical Evidence from the Laboratory and the Field
Elise Payzan-LeNestour, The University of New South Wales
- Ambiguity apportionment: An experiment
Maria Erazo, GATE Lyon-St-Etienne
- Risk taking with externalities
Ludovica Orlandi, Nottingham Trent University
- The impact of lottery representation on risk attitudes
Geoffrey Castillo, University of Vienna

Information 2

Room BEL.016

Chair: Benoît Tarrow

- On the relationship between information and individuals' perception in affecting income tax evasion
Ludovica Spinola, Ca' Foscari University of Venice
- Path Dependencies and Innovation – An Experimental Study
Rika Stoczek, Leibniz University of Hannover
- Inattentive multi-attribute search: Converging search towards the optimum level and the moderating role of inattention
Imen Bouhlef, GREDEG Université Côte d'Azur
The effect of group deliberation on distributive preferences: An experimental study
Benoît Tarrow, GATE Lyon-St-Etienne

Public goods

Room BEL.019

Chair: Fabrice Le Lec

- Opting-in and contribution to public goods: the case of cooperative members
Angela Sutan, Burgundy School of Business
- Measuring beliefs and ambiguity attitudes in a public good game: an experimental study
Nahed Eddai, GAEL Grenoble
- Public goods in network: are neighbours contributions better to display?
Lucie Poinet, Nantes-Atlantique Economics and Management Laboratory
- An experimental investigation of tax competition
Fabrice Le Lec, University of Lille

COVID-19

Room BEL.020

Chair: Eva Raiber

- Face masks and social pressure
Roberto Rozzi, Ca' Foscari University of Venice
- Mobile vaccination units substantially increase COVID-19 vaccination uptake
Stefanie Schumacher, University of Bern
- Preferences After Pan(dem)ics: Time and risk in the shadow of Covid-19
Xavier Gassmann, Burgundy School of Business
- Covid-related worries, cognitive performance, and financial incentives: Results from an Online Experiment
Eva Raiber, Aix-Marseille School of Economics

12th International Conference of the French Association of Experimental Economics

Lyon, 30th June - 1st July 2022

FRIDAY JULY 01

Beliefs 2

Room BEL.023

Chair: Claire Rimbaud

- The effects of confidence and mechanism knowledge in the French college admission mechanism
Renke Schmacker, Université de Lausanne
- Trust in hiring algorithms: causal effect of beliefs about humans' discrimination for workers, and self-confidence for managers
Marie-Pierre Dagnies, Paris Dauphine University
- Eliciting beliefs when the distribution matters: a horse race of elicitation interfaces
Paolo Crosetto, GAEL Grenoble
- Norm provision and beliefs elicitation: How do they interact?
Claire Rimbaud, Universität Innsbruck

3:30 PM - 3:45 PM

Coffee break

Auditorium

3:45 PM - 5:15 PM

Decision under uncertainty 4

Room BEL.015

Chair: Adam Zylbersztejn

- Hedging Against Ambiguity - Experimental Study
Sonia Mun, Université Panthéon-Sorbonne,
- Outcome bias and risk taking in a principal agent setting
Moritz Loewenfeld, Toulouse School of Economics

- Judicial Decision under Ambiguity and Predictive Justice

Sébastien Massoni, Bureau d'Économie Théorique et Appliquée

- Measuring strategic-uncertainty attitudes
Adam Zylbersztejn, GATE Lyon-St-Etienne

Environment

Room BEL.016

Chair: Beatrice Roussillon

- Correcting Misperceptions about the CO2 Emissions Associated with Consumption
Taisuke Imai, LMU Munich
- Environmental, nutritional, economic and behavioral impact of six environmental labelling systems: experimental evidence
Philippine de Lattre, GAEL Grenoble
- Who is Willing to Pay the Price for Clean Air? Perceived Relative Income and Revealed Preferences for Environmental Health
Tillmann Eymess, Heidelberg University
- Intrinsic Motivation to Promote the Development of Renewable Energy: A Field Experiment from Household Demand
Béatrice Roussillon, GAEL Grenoble

Morality 3

Room BEL.019

Chair: Julien Benistant

- Individual Oath Swearing and Lying in Group
Sorravich Kingsuwankul, GATE Lyon-St-Etienne
- Would I lie for you? Experimental evidence on dishonesty and social identity
Lerato Dixon, Nottingham Trent University

12th International Conference of the French Association of Experimental Economics

Lyon, 30th June - 1st July 2022

FRIDAY JULY 01

- Cheating responses to tax evasion
Andrea Martinangeli, Burgundy School of Business

- Competition, Information, and the Erosion of Morals
Julien Benistant, Institut des sciences cognitives Marc Jeannerod

Consumer decision

Room BEL.020

Chair: Sabrina Teyssier

- Labels vs incentives: testing nutritional policies in the laboratory
Paolo Crosetto, GAEL Grenoble
- Local Energy for Sale: An Experimental Analysis of Consumers' Decision-Making in Peer-to-Peer Energy Trading Platforms
Anna Rita Bennato, Loughborough University
- Preferences for meat substitute with plant-based proteins: an experiment with real products consumption
Youenn Loheac, Rennes School of Business
- Consumers Food Choices and the impact of Constraints on Greenhouse Gas Emissions
Sabrina Teyssier, GAEL Grenoble

Social preferences 4

Room BEL.023

Chair: Fortuna Casoria

- Self selection and the willingness to share
Katarína Čellárová, Masaryk University
- Sharing Losses in Dictator and Ultimatum Games: a Meta-Analysis
François Cochard, Université Bourgogne Franche-Comté
- Social Preferences under the Shadow of the Future
Simone Quercia, University of Verona
- Social distancing, trust and pro-sociality in times of acute health crisis
Fortuna Casoria, Burgundy School of Business.

With the support of:
